Musical Set For 6 Nights At El Camino

Early reservations for the El Camino College musical production of "Wonderful Town" were urged this week, as large blocks of tickets have already been reserved for the six-evening showing.

Tickets, now on sale in the campus bookstore, are priced at \$1.25, all seats being reserved. Because advance sales have been heavy, a limit of six tickets per order has been established.

The musical, which follows the story of the stage play, "My Sister Eileen," will be shown in the Campus Theater, May 9, 10, 11, 16, 17, and 18. Curtain time for all performances is scheduled for 8:30 p.m.

Tickets must be picked up a day prior to the performance, Hamilton M. Maddaford, assistant director of student personnel noted, stressing that failure to follow this procedure would cancel reservations.

Youth Appreciation Week Proclaimed by Governor

Youth Appreciation Week has been added to the calendars of the year's special events that include such observances as Mothers' Day, Fathers' Day, and even in some sections, Grandparents' Day.

A proclamation was issued on April 25 by Goodwin J. Knight, governor of the State of California, praising the noteworthy achievements of the boys and girls of the state of California.

"We must not forget the boys and girls of our state; that the decent, clean, law-abiding youthful citizens

should be recognized for their achievements in direct proportion to the so-called juvenile delinquents, for each bad boy or girl, we have 19 that never make the front pages of our papers, and that we should make special efforts to honor, and praise them in this celebration," Governor Knight said.

The state-wide observance is under the direction of Harwood Larson, boys' work director of District 14, Optimist International.

Dairy cows graze an average of nine hours each day.
